

ORDINANCE 539-11-11 (modified)

AN ORDINANCE TO AMEND CODIFIED ORDINANCE 1323.01 and DELETING 1323.01.1 TO REQUIRE EROSION CONTROL DEVICES

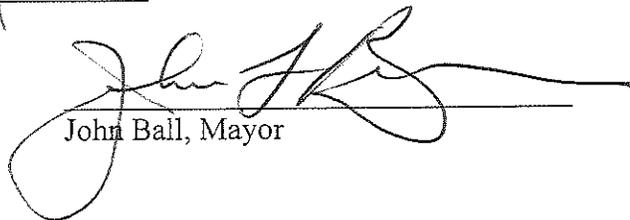

Section 1: 1323.01 EROSION CONTROL is amended to read as follows:

- a) For the purpose of this ordinance, "erosion control devices" shall mean silt fences and other such devices or controls designed to prevent soil carried by rainwater, residential hoses or melting snow to enter lakes and water courses, roads and adjacent land, and shall be approved by the Village Administrator. Silt fences shall be installed as shown in appendix E.
- b) No person shall remove vegetation or disturb soil to the extent that it causes or is likely to cause soil or other debris to be carried by water runoff into lakes, streams, drainage ditches, roadways or onto the adjacent land of others without adequate erosion control devices.
- c) No person shall clear land for the purpose of constructing a home, structure or addition without first having obtained a building permit from the Ashtabula County Building Department and a Zoning Permit from the Village. When construction is not commenced within two weeks of clearing the land, the owner of the land shall plant temporary grass or ground cover.
- d) Any person found violating any provision of this ordinance shall be fined \$100.00 for each day s/he is found violating the ordinance.

Section 2. That it is hereby found and determined that all formal actions of this Council concerning and relating to the adoption of this ordinance were adopted in an open meeting of this Council and that all deliberations of this Council and of any of its committees that resulted in those formal actions were in meetings open to the public, in compliance with all legal requirements including Section 121.22 of the Ohio Revised Code.

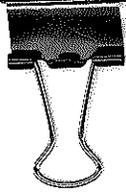

Section 3. This ordinance is not an emergency and shall take effect thirty days after passage.

PASSED this 17 day of July, 2011
