Contractor Registry - 2025

Disclaimer: The Roaming Shores Contractor Registration Program is not a list of 'approved contractors'. The individuals and firms on this list have completed the Contractor Registration Form, provided proof of insurance, workers' compensation, and specialty state licenses (when required). The Village does not assess contractors for workmanship, quality of materials, or the quality of their final product. No person shall rely on the Contractors Registry as proof of the contractor's qualifications or a recommendation. Village residents are solely responsible for determining that the contractor is suitable for their needs and shall accept sole responsibility for their choice.
